### Senior

## What is Stablemates Senior?

Adults who regularly ride at Grove House Stables LLP will inevitably start thinking about having a horse of their own, especially those with limited time or equine knowledge are understandably wary of taking on such a commitment. Grove House Stables LLP has designed a special first-step into horse-ownership to provide support whilst enabling you to realise your dream.

## How you can join Stablemates Senior?

As your coaches we are in the position of knowing both your ability and the characteristics of our horses. Firstly we need to make as near perfect match as possible between the two.

## How does stablemates Senior work?

Without the need for any capital investment, the agreed horse becomes yours on a lease-hire basis until one month's notice is provided if you wish to cancel the arrangement. Occasionally a loan horse will attract a purchaser and in this instance the loan owner will be provided with first refusal to buy, providing the horse is remaining on site. There is the option of a 5 day loan or a 3 day loan.

There will be a 3 hour induction which will assess your ability, both in the saddle and on the ground.

5 day loan: Your chosen horse / Pony will be available to you for 5 days per week (a week excludes Thursday). The monthly fee is £433 per calendar month. The week includes:

- 5 class lessons per week. (Class lessons can be upgraded to private for £19)
- 20% off extra private lesson booked as well as your class lessons.

3 day loan: Your chosen horse / Pony will be available to you for 3 days per week (a week excludes Thursday). The monthly fee is £281 per calendar month. The week includes:

- 3 class lessons per week. (Class lessons can be upgraded to private for £19)
- 20% off extra private lesson booked as well as your class lessons.

## Frequently asked questions

- What happens if your animal is unwell? In the rare event of your horse being un-rideable, we will either offer an alternative horse, providing one is suitable, or we will suspend the Stablemates senior arrangement until the horse is well again. All veterinary treatment is paid for by this business.
- Can two people share one pony? One pony can have a 5 day loan or two 3 day loans. Loan agreements are per rider and cannot be shared. Only one loan owner can ride the pony each day.
- Which ponies are available for the stablemates scheme? Please do ask in the office and/or visit our website [www.grovehousestables.co.uk](http://www.grovehousestables.co.uk) and click on the "Available Horses" section under the "Horses for loan" dropdown. Here you will see all the available ponies with their photographs and details about them.
- What if I want to enter the Dressage and Show Jumping Competitions? You will be able to enter our competitions at the rate of £10 per class.

### How do I cancel stablemates?

One month's notice in writing is all that is required.
