## 3 or 5 Day Loan

### What is Stablemates?

Children who regularly ride at Grove House Stables LLP will inevitably start asking (pleading!) for a pony of their own whilst their parents, especially those with limited time or equine knowledge are understandably wary of taking on such a commitment.

Grove House Stables LLP has designed a special first step into pony-ownership called "stablemates" to provide parental support whilst enabling children to realise their dream.

Stablemates is a scheme to provide help and support when learning about all aspects of taking care of horses and ponies, potentially before purchasing one of your own.

Our BHS trained staff will be on hand to answer questions, guide you and provide ridden lessons in various ability groups as per your stablemates contract.

### How can you join Stablemates?

Speak to Andrew, Leanne or Sam, and complete the application form.

### How does stablemates work?

Without the need for any capital investment, your child can experience benefits of spending more time interacting and developing their skills with the horses and ponies at the centre.

We offer a 3 or 5 day loan. Loan for 3 days gives you 3 riding opportunities per week, loan for 5 days gives 5 riding opportunities per week, for a minimum of 6 months.

Including: Pony Club, Pony Stars, Class lessons and a half day activity day on Saturdays. Options to upgrade to private sessions available at extra cost.

### How do I cancel stablemates?

After the initial 6 months, one month's notice in writing is all that is required.

### Frequency answered questions

Supervision - We provide supervised sessions with our staff for Stablemate's children of 12 years and under on Saturday's 09:00-12:00 or 13:00 - 16:00 (depending on chosen session); Sunday by prior arrangement. Please always advise us when your child is participating and to retain a safe controlled environment these sessions are purely for the nominated child and cannot include siblings or friends.

For their own safety Stablemates children of 12 years and under must always have a responsible adult in attendance, other than during lessons, supervision and activities organised by Grove House Stable LLPs.

No doubt there are other questions you would like to ask and please feel free to do so without concern of commitment. Stablemates is not about money, it is about a life-changing experience for your child in a safe, happy and progressive environment. If you are considering moving into pony ownership, this amazing opportunity for your child to experience the magic of pony ownership and becoming a Grove House Stables Stablemate!

### Grove House Stables LLP - Stablemate Scheme

Our loaning scheme gives you the chance to enjoy the experience of owning your own horse in GHS LLPs fantastic facilities. The loan scheme is payable 1 month in advance by direct debit.

Lessons can be upgraded from class lessons to private lessons but must be booked 2 weeks in advance but will not be available on Saturdays or Sundays.

**The five or three riding sessions must be used up each week - you cannot carry them over to the following week without advance prior agreement.**
